## **DETAILED ACTION**

### ***Response to Amendment***

The Amendment, filed on 3/29/2004, has been entered and acknowledged by the Examiner.

Claims 18 and 22 have been amended.

### ***Allowable Subject Matter***

1. Claims 18, 20, and 22-25 are allowed.
2. The following is an examiner's statement of reasons for allowance:

Regarding claim 18, the references of the Prior Art of record fails to teach or suggest the combination of the limitations as set forth in claim 18, and specifically comprising the limitation of an LCD with a substrate placed on a base when the substrate has a concave portion provided on the lower surface that connects with a convex column shaped portion on the upper surface of the base, which is a light guiding plate.

Regarding claim 25, claim 25 is allowable for the reasons given in claim 18 because of its dependency status from claim 18.

Regarding claim 20, the references of the Prior Art of record fails to teach or suggest the combination of the limitations as set forth in claim 20, and specifically comprising the limitation of an LCD with a substrate placed on a base where the substrate has a convex column shaped portion on the lower surface of the substrate that connects with a concave portion on an upper part of the base.

Art Unit: 2879

Regarding claims 22-24, claims 22-24 are allowable for the reasons given in claim 20 because of their dependency status from claim 20.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
